SELF PRIMING MONOBLOCK PUMP

Duroflo Pumps revolutionizes fluid handling with our Self-Priming Pumps, engineered for effortless operation. Say goodbye to manual priming – our pumps combine cutting-edge technology and durability, offering a reliable solution for diverse pumping needs. Experience seamless performance and innovation with Duroflo's Self-Priming Pumps.

MATERIAL OF CONSTRUCTION

WINDING	100% Copper
SHAFT	Stainless Steel
IMPELLER	High Tensile Brass
BODY	Heavy Duty Aluminium Extruded and Cast-Iron Body
STAMPING	Low Watt Less Silicon

TECHNICAL SPECIFICATIONS

HORSEPOWER (HP)	0.75KW 1HP
SPEED	2880 RPM
TYPE OF DUTY	S1 CSCR CONTINUOUS DUTY
PIPE SIZE	25MM X 25MM
PHASE	AC SINGLE PHASE 220V
EFFICIENCY	40%
FREQUENCY	50Hz
MODEL NO.	DFP100

PERFORMANCE DATA

FLOW RATE (LPH)	3200	3000	2400	2100	1700	0
HEAD (MM)	0	10	16	20	24	40
